united services group

press release

Shares of United Services Group to be included in Euronext Amsterdam Midkap-index (AMX) as from 4 March 2003

Almere, 4 February 2003. United Services Group N.V. is pleased to note the announcement by Euronext Amsterdam (stock exchange) that as from 4 March 2003 its shares will be included in the Amsterdam Midkap-index.

In view of the national and international awareness of the Amsterdam Midkap-index among institutional and private investors, United Services Group expects that inclusion will mean a positive valuation boost for its shares.

The current total of issued and listed ordinary shares of United Services Group N.V. stands at just over 22 million.

United Services Group has been reporting its result on a quarterly basis for many years. Fourth quarter results and results for the whole of 2002 will be announced on Wednesday 19 March 2003 during official trading hours.

Profile of United Services Group
United Services Group is a European service provider in the fields of flexible employment, education/training and customer care services. It is active in the Netherlands, Belgium, Germany, Italy, Spain and Portugal. The shares of United Services Group are listed on the Euronext Amsterdam stock exchange. A range of service formulas are provided from a number of independent operating companies including Unique, Start, Secretary Plus and Technicum (secondment and temporary staff), United Capacity, United Technical Solutions and United ICT Solutions (recruitment and selection, secondment and project-type activities for professional specialists), United Independent Solutions (services for independent operators without personnel), Luzac College and InterCollege (education) and Telecom Direct and Call-IT (customer contact-centers).
